Wholesale Distributor of Refrigeration and Air Conditioning Parts Announces the Opening of New Location in Culver City, California

Culver City, California. July 27, 2009 – Allied Refrigeration Inc., one of California and Nevada's pre-eminent distributors of refrigeration and air conditioning parts, is pleased to announce the opening of its new location in Culver City, California. Stocking over 10,000 different items representing hundreds of manufacturers, the location is designed to service a high volume of customer traffic with diverse equipment and service needs. Located in the hub of West Los Angeles/Santa Monica, the location will elevate customer expectations for service and convenience.

"The Culver City location will immediately be recognized as an integral part of the Allied Refrigeration team, building on our reputation of quality service and unsurpassed inventory levels" remarks Rob Nichols, CEO of Allied Refrigeration Inc. "Our goal is to continuously listen to the customers who support us and in turn, build our locations and services around the feedback we receive. We have definitely accomplished that goal here in Culver City, California."

Located conveniently near the intersection of Jefferson Blvd. and Rodeo Rd., with quick freeway access from La Cienega Blvd., the familiar services of Allied Refrigeration Inc. are all available from the Culver City location. Fully staffed with knowledgeable Customer Service Representatives and always-offering free delivery, the Culver City branch is ready to surpass the expectations of the most discriminating customer. Bilingual support is available on site.

The new branch, at 8460 Higuera St., Culver City, CA is now open and ready to serve.
