VETO PRO PAC
TOOL BAGS THAT WORK

VETO PRO PAC tool bags don't wilt and lose their shape like canvas or other synthetic bags, because every tool bag uses a patented integrated center panel that extends to the bottom of the bag. The handles are ergonomically designed for stiff hands and are hinged for extra durability.

TECH PAC - Allied # 6821434

TECH PAC has ample room for hand tools, meters, parts boxes, cordless drills and impact drivers, as well as other bulkier items such as manifold gauges, hoses, cable wires and even a tablet.
